

Our continued growth has created new opportunities in our Brockville and Prescott facilities. **We are locally owned and operated, offer a history of a stable work environment with regular working hours, flexible vacation schedules and opportunities for advancement.**

## **INDUSTRIAL MAINTENANCE TECHNICIANS**

Northern Cables Inc. is currently recruiting for a licensed or registered apprentice **Industrial Electrician** and **Industrial Millwright** to support its growing business. Excellent communication skills (both verbal and written) and the ability to train and coach employees are necessary. Base wage up to \$64,300/yr. This position requires flexible working hours and rotating shifts.

## **MANUFACTURING WORKERS**

Northern Cables Inc. is currently recruiting for factory production workers for our Brockville and Prescott facilities with medium/heavy manufacturing experience. Applicants must have general math and English skills. Training provided to suitable candidates. Full time hours, base salary \$47000 - \$49500 per year.

## **SHIPPING CLERK**

This position is a full time regular role, primarily a data entry position completing shipping documents and inventory transactions for the shipments of finished goods from our warehouse. Some inventory control activities are also part of the regular duties. Applicants must be familiar with basic office software and computer use, with experience working with ERP/MRP software an asset. Accuracy in documentation is critical. This position is a Sunday-Thursday schedule, either afternoons or early mornings to facilitate customer shipments from a continuous operation. Base salary \$30000 - \$32000 per year.

## **SHIFT COORDINATOR**

This position is responsible for coordinating the daily functions of the plant floor. This role is a "hands-on" role in achieving the plant's productivity, safety, quality and shipping objectives. Applicants are required to have prior supervisory and operating experience in a manufacturing environment, an exemplary work ethic, attitude and attendance history. Applicants must be familiar with basic manufacturing and shipping / warehouse principals. Excellent communication skills (both verbal and written) and the ability to train and coach employees are necessary. This position requires flexible working hours and rotating shifts.
